Bring completed HAP sheet to class on Monday, August 26

Key Terms to Define:

Convivencia

Reconquista

limpieza de sangre

Reading Interpretation & Analysis

What can the three “convivencia” primary source documents tell us about life in Medieval Iberia?

What aspects of “convivencia” are of greatest concern to these Medieval Muslim scholars?

How do these authors portray Iberian Christians?

Please include page numbers for any quotes/examples.

In your own words, what is historian John K. Thornton's argument?

What evidence does he use to support this?

Why is Thornton's argument important for our understanding of Colonial Latin America?
